## Chocolate Fountain Table

Round, skirted food display table for the American Chocolate Fountain.

Oak stained 3/4 in. sealed plywood top with copper leaf laminate. Heavy rubber T molding on table top edges. Full length hardwood runners, bolted through to table top with additional cross members for maximum stability and strength. Powder coated, wishbone style folding legs.

Chocolate fountain tables lower the fountain dipping area, hiding the base; transforming your fountain into a free-standing dessert buffet. Folds flat for storage.

Table skirt included
